23 NWANETSI CRESCENT, THE REST NATURE ESTATE,  
SONHEUWEL X8, MBOMBELA

7 on Baker is a ground-breaking one-of-a-kind residential development, developed by WesternOn6, launching in 2020 in Mbombela. The development will comprise seven exceptional and unique residential units. Hand in hand with the sleek design is the building's energy efficiency. Each unit will boast solar energy and rainwater harvesting, while the interior comforts will exceed expectations.

Creative. Responsive. Sustainable. We are EarthSwitch Architects and we are fuelled by a passion for design. EarthSwitch is a multi-award-winning architectural practice based in Mbombela. Our application of environmentally-sustainable building standards (SANS 10400-XA), sustainable design principles, the use of sustainable materials and the creation of contemporary architectural designs is our distinguishing factor.

SWITCH. GREEN. LIVE.
